

## Native Spanish translation for serious business documents

English & French source material · Castilian, Latin American, Mexican, Argentinian, Colombian variants.

### WHAT WE TRANSLATE

Contracts, financial statements, pitch decks, proposals, marketing copy, websites, client correspondence and legal documents — translated into Spanish from English or French.

### HOW WE WORK

- 01. Intake & analysis** — fixed quote & delivery date.
- 02. Translation** — CAT tools (Trados, memoQ), translation memory, glossary.
- 03. QA & proofreading** — Xbench / Verifika + human review.
- 04. Delivery** — final file + updated glossary.

### QUALITY STACK

SDL Trados Studio · memoQ · MateCat · Xbench · Verifika · DeepL Pro · client termbases · two-stage human review.

### LANGUAGE PAIRS

- EN English → ES Español  
FR Français → ES Español

### REGIONAL VARIANTS

Castilian (ES) · Neutral Latin American · Mexican (MX) · Argentinian (AR) · Colombian (CO).

### WHAT YOU GET

- Native Spanish output, business-grade precision
- Specialised finance / legal / consulting vocabulary
- Confidentiality & NDA on request
- Fast turnaround (express 24h available)
- Client-specific glossary that grows with your account
- Two-stage QA — zero silent mistakes
